

CENTRALIAN.1977

Once upon a midnight dreary,
Students pondered weak and weary,
Over the problems and changes in the days of yore

When suddenly there came a rapping
From some legislative tapping
On the plight of students within River City's shore.
"Tis integration" we all murmured,
"The equalizer- nothing more".

So with greatest mixed emotions
Parents helped to put in motion
Such a whirlwind you may trust
As we sat on the yellow bus
Following signals from CB codes
Making sure we had our loads
Of multi-colors caste and dye
On the Yellow Brick Road to Central High

HISTORY OF CENTRAL HIGH SCHOOL

Central High School has had three locations: Sixth and Kentucky Streets, Ninth and Magazine Streets and Eighth and Chestnut Streets. The school began in September 1882 with J.M. Maxwell as principal of the several departments in the building and with C.W. Houser as the only teacher. Enrolled that first year were twenty-seven pupils. The school has seen many administrators come and go since that time; our current principal is Mr. Joseph McPherson.

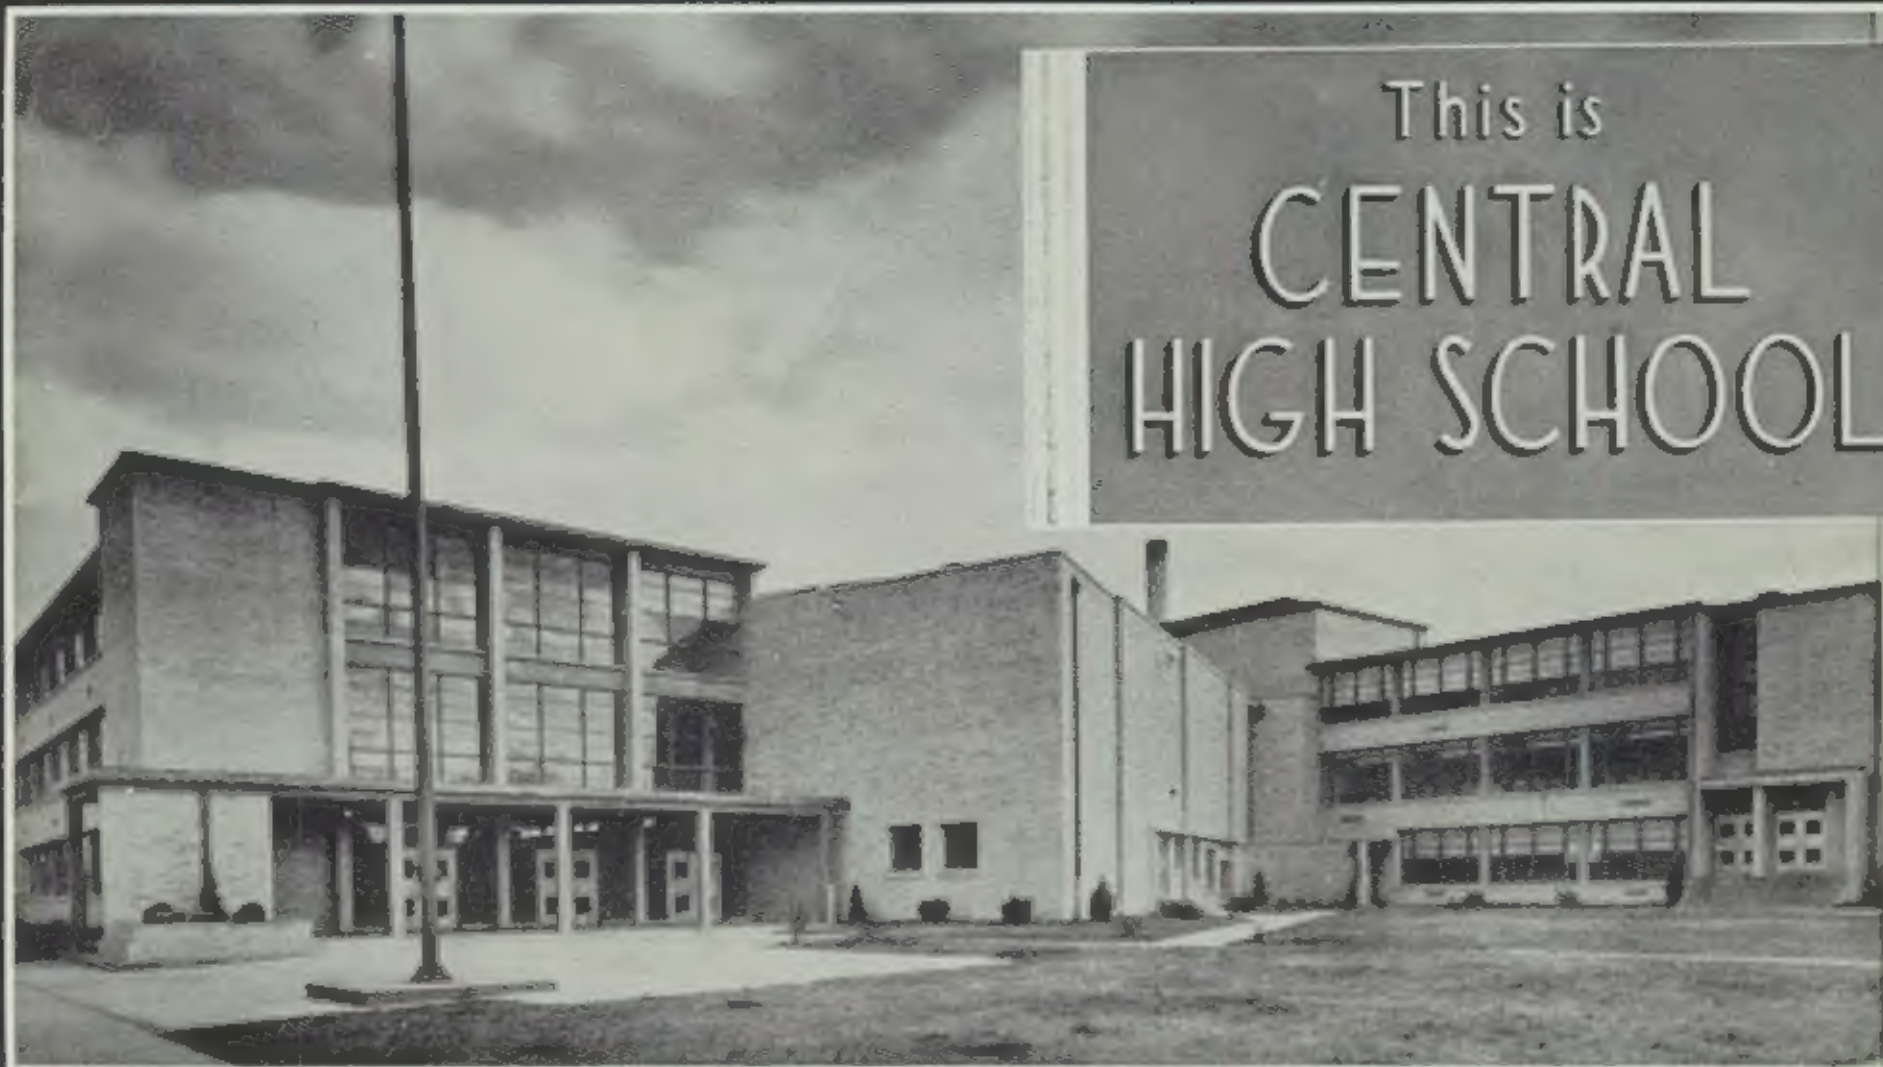

In September 1952, the school was moved to its present location at Twelfth and Chestnut Streets. The facility was cited for modern simplicity and functional design. The auditorium was built to seat 1,450 and the gymnasium was planned to accomodate 3,647. The original facilities included a First Aid Department, many fully equipped trade shops, Science and Chemistry laboratories, a Home Economics Department fully equipped, including a dining room and a fireplace. The Music Department includes a large choral room with separate storage facilities for music library holdings and a large instrumental music room with office and several practice rooms. The current building, designed as a compregensive school offering a variety of programs to meet the needs of the times, was dedicated on January 16, 1953.

Most students who entered the tenth grade at Central were assigned to basic college preparatory courses designed to prepare them to meet general college requirements. Those students who desired to pursue commercial fields selected vocational programs preparing them for employment following their high school graduation. In addition to an excellent athletic program, the Fine Arts and Music programs have always provided the specialized training and experience to all students interested in these vital areas of total development.

Central High School has behind it a rich heritage and in front of it a bright future. The many outstanding graduates of the past are as proud of Central as we are certain that all future graduates will be in the years to come. Working together we will continue our program of assisting the individual to reach his maximum potential.

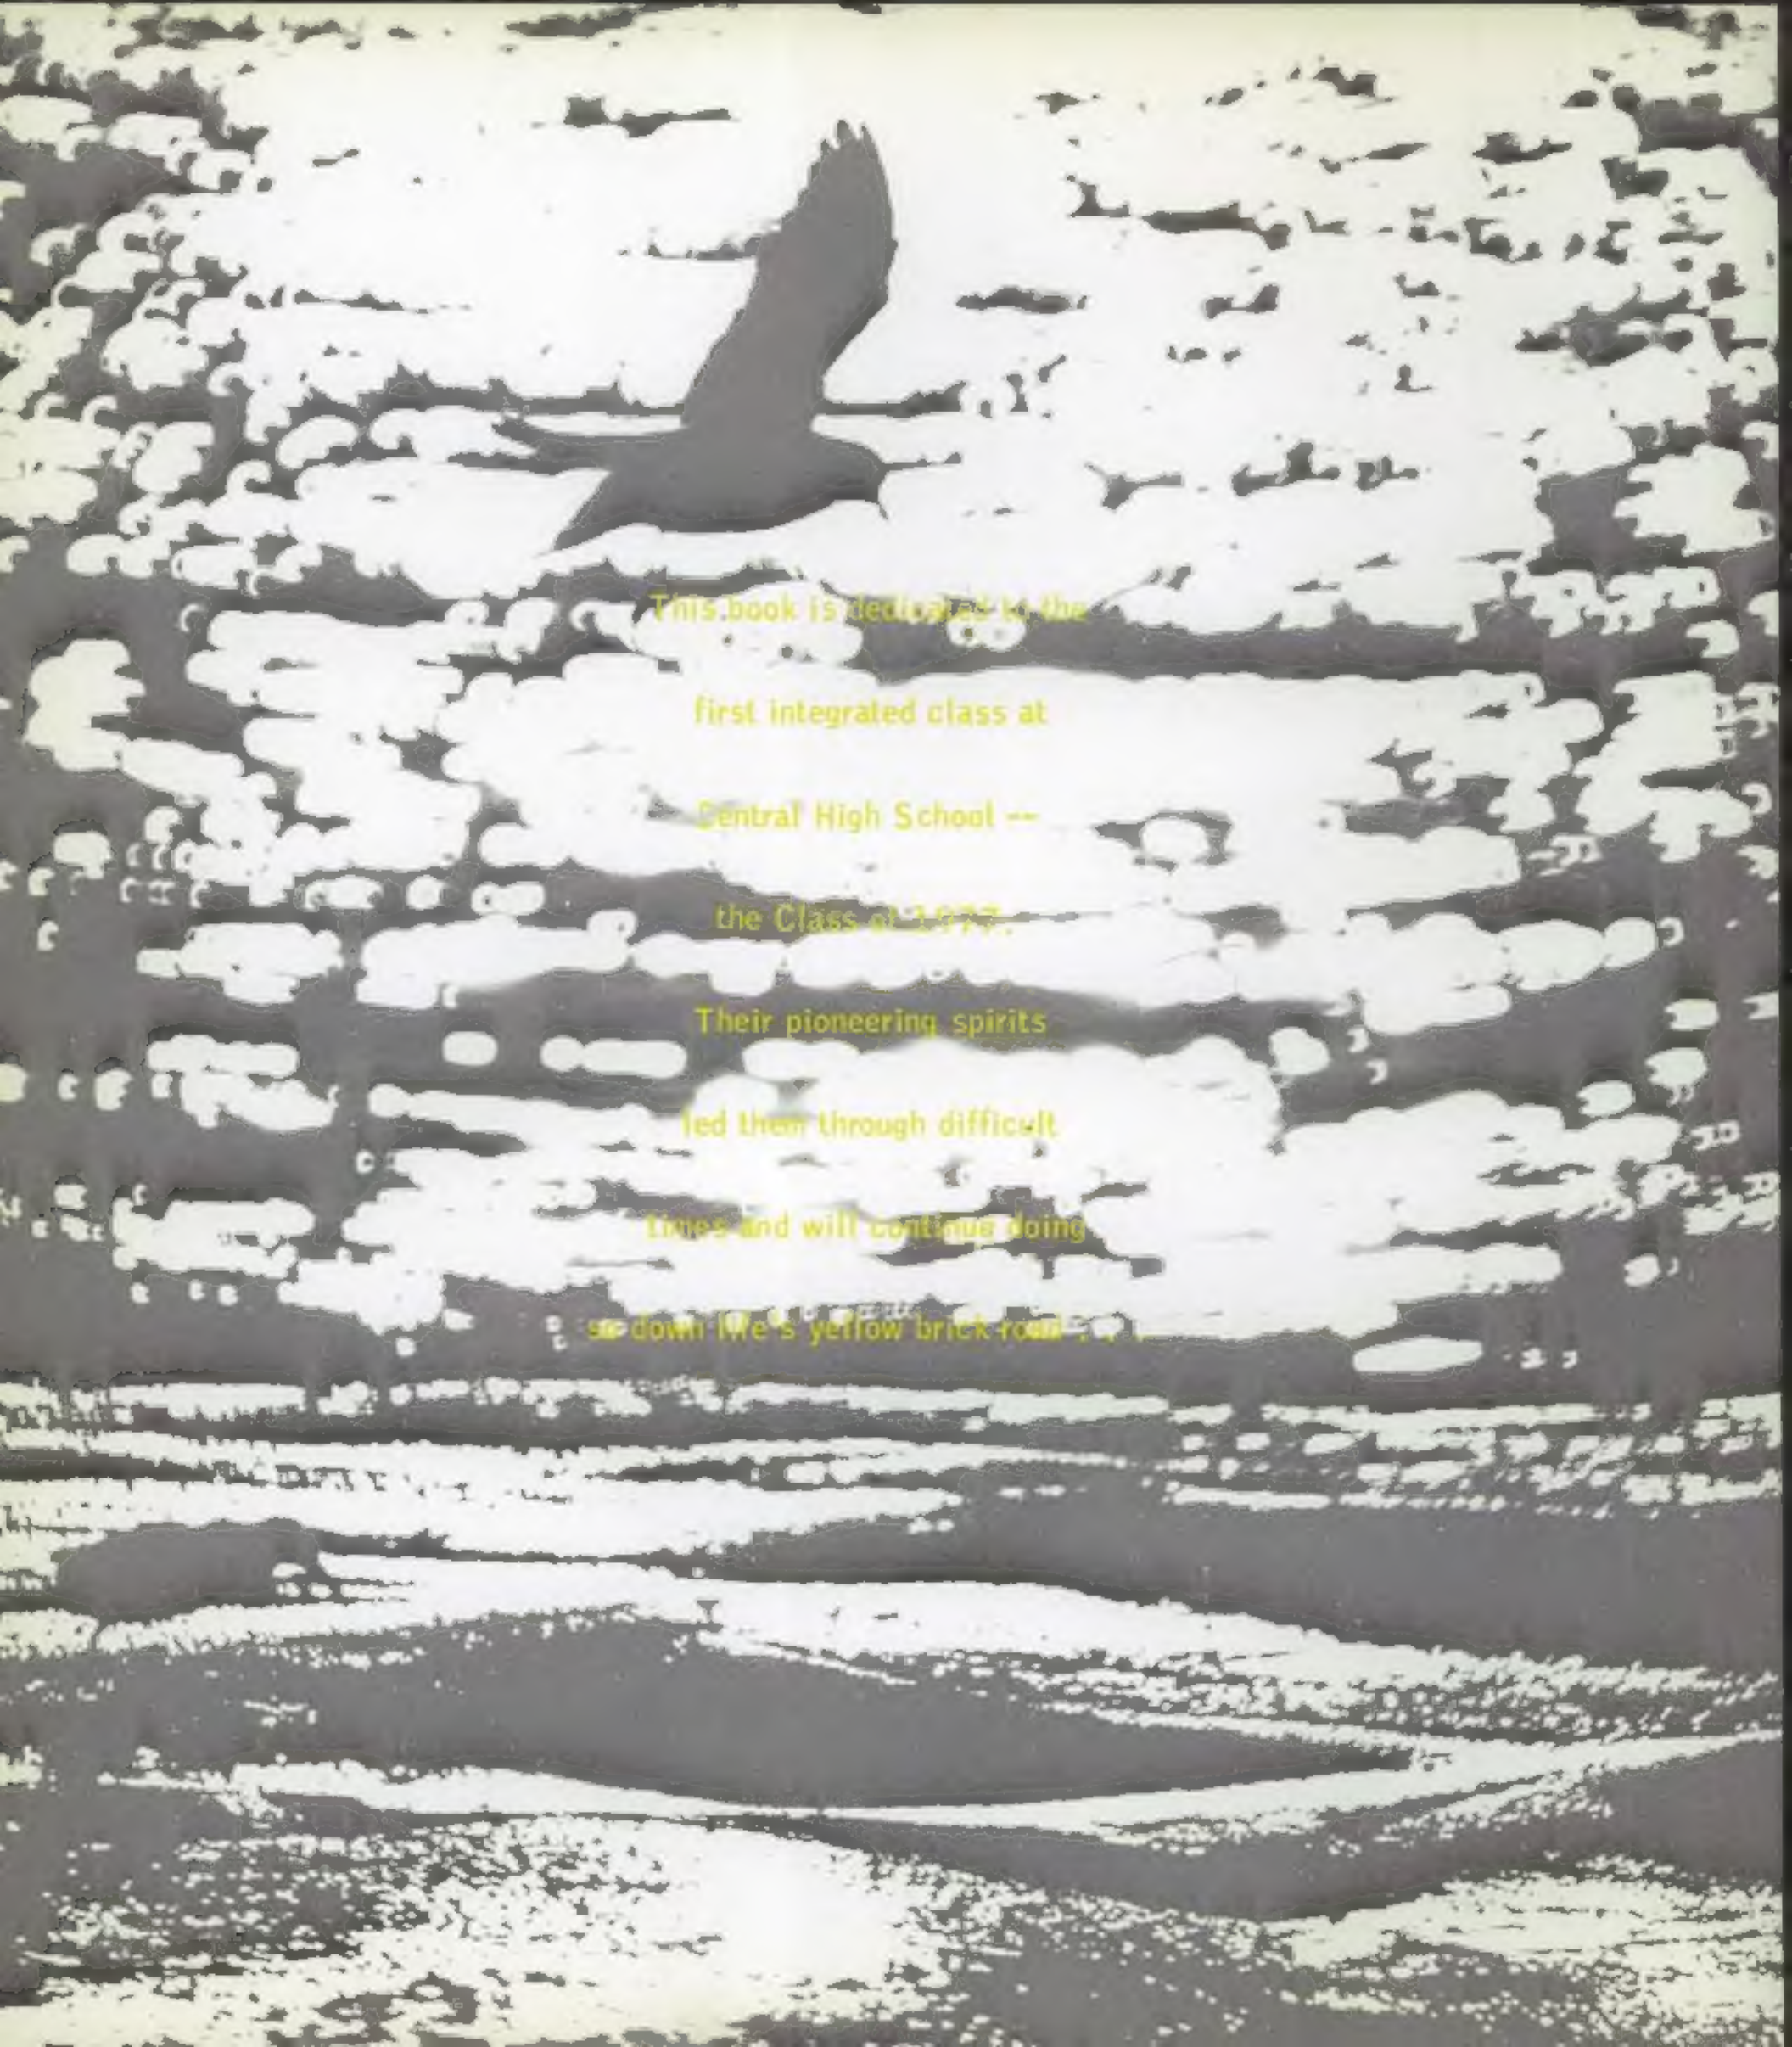

In September, 1976, Central welcomed the freshmen class for the first time. Our present enrollment is 1,649.

THE PIT

The focal point of gathering at Central is the courtyard, or if you will, "The Pit". This is the courtyard, formed by the three sections of the school and auditorium.

Every day during lunch one can find students out in the courtyard smoking, studying,

buying soft drinks, or just wandering. Even on rainy, cold days there will be a few die-hards out in the courtyard taking a smoke.

The courtyard is the social center at Central High School because of it's location. From within the courtyard one can go out in three directions, the office, the auditorium, and the rest of the school. By

the same token, one can enter from any of these three locations.

The courtyard is the place to go if you just want to relax and talk to your friends. It has a very warm atmosphere to be in.

The camera was lucky enough to catch some of the activities in the courtyard.

Three's a crowd, but this is ridiculous!!!!!!!

What's going on in the corner?

One of the more crowded times.

Debbie Frye is caught in the act.

FACULTY

Ernest C. Grayson Superintendent

Jefferson County Board Of Education

Mr. Joseph McPherson has been principal of Central High School for the past four years. However, his experience in the field of education dates back before his appointment to the position of principal. He has taught English, History, and P.E., with the greatest emphasis on History. His profession is backed up by an impressive set of credentials. Mr. McPherson has attended the University of Tennessee at Nashville, Indiana University at Bloomington, and the University of Louisville.

When considering Central, Mr. McPherson has high hopes for what could be. He sees a definite need for more student involvement. The students, he says, should become integral parts of the school. As the situation now stands, Central lacks unity because of the apathy of the students who are here for only a year. In Mr. McPherson's opinion, every student should make an effort to enjoy and become involved in his school.

BRICK ROAD !

CLOSE . . . BUT YET SO FAR AWAY

You can't measure this team's success by its record. They showed outstanding qualities in character and pride under adverse conditions. It was very hard not knowing their teammates, or if they were going to be enough athletes to play the season. They played well all year, but the three games which stood out in our minds were the St. X, Trinity, and Atherton games. All three times they were acclaimed the underdog, but came on to outplay all three teams. Even though they didn't win on the scoreboard, they won in courage, strategy, and spirit. Many players made All-City and All-State teams, which indicated their great talent. Look for this year's senior Yellowjackets on some college teams this fall!!!

"The Spirit is Moving" Homecoming '76"

"The spirit is Moving" was the theme for the 1976 football homecoming.

Homecoming week kicked off with an assembly 3rd period. At the assembly, former Central student and football player, Lenny Lyles, spoke about spirit and it's meaning.

Tuesday was "Find the Yellowjacket Day", but the Yellowjacket wasn't found.

On Wednesday, the 50's craze hit Central again. Brave students slicked back their hair and rolled down their socks.

Thursday was the finals for the door decorating contest. 1st place was awarded to homeroom 10J, room 320.

On Friday, a big pep rally was held in the gym and the Spirit Stick was awarded to the Jr., but only after the Srs. put up a big fight.

At halftime of Central's 13-0 victory over Male, Susan Brinkley was crowned queen.

The dance featuring "Zinn" following the game, ended

CLASS POEM "LIFE"

Life to me
Seems to be
A struggle until eternity;
It seems to be
That all I see
Are wars against humanity.

I pray someday that there will be
Peace and Love and Harmony
But until that day when there shall be
No War, No Hate, No Poverty;
I hope that everyone can see
That I'll love you
If you'll love me!

"Life", the class of '77' salutes you.
